"Ekamath Eka Rataka " Jeeva films aint in production yet but i hope it will hit the screen by 2014, the movie will have the same name as the late Janak premna movies of the 60s to 70s I am very excited about the movie mentioned above, hopefully it will be released by 2014 Movie review "Murattu Kaalai" on the article "Murattu Kaalai" All comments Akshara Radhakrishnan - Posted September 19, 2012 at 4:35 PM "After a long time Chudai akshara " Comment #3 · 2012-09-21 3:56 pm Chudai akshara said in Murattu Kaalai If you are all not interested in this movie so don't give any review for it. I understand that movie is based on the story of Phoenix birds. But I think this film is very dull because the story that is happening there has nothing new to feel as we know the same stories. It was written by a famous writer ADIBBEAMYU. The scenario and screenplay by Anjana Vaz is also okay but she should try to write something more interesting. The characters of the movie are totally different and look totally different from the actors who are acting in this movie. It will be very difficult to make a movie with different faces. The actors are not able to make the faces of the birds as they were in the books. I think the story is totally different. Even if this story was based on some classical literature maybe it will be very good. I am not a bird lover so that might be the reason. But if you are a bird lover you will appreciate the movie. For example EKAMATH EKA RATAKA is a very famous movie in Sri Lanka. But the story of this movie is completely different from that of the book. Though the movie is good but I am not a huge fan of the movie. Movie review "Murattu Kaalai" "after a long time "
